

Street sweeping postponed for one week due to Labor Day holiday

Due to the observation of the Labor Day holiday on Monday Sept. 4, there will be no residential street sweeping the entire week from Sept. 5 through Sept. 8.

The reason for this is that the Costa Mesa Sanitary District also observes this holiday by pushing trash collection back one day.

This results in residential gutter lines being cluttered with trash cans making it impossible for street sweeper operators to do an efficient job.

No citations will be written all week. Street sweeping will resume back to normal schedule starting the week of Sept. 11, 2017.

The following are a list of tasks that CleanStreet operators will be conducting next week:

- City wide alley street sweeping
- Sweeping of Park parking lots and other City owned facilities
- Accident callouts and special request
- Night route sweeping on all arterial streets.

The City's street sweeping hotline has been updated with all the information above alerting residents about next week's sweeping schedule. [Click here](#) for more information on the city's website.
