CMTV's Ron Dam takes the spotlight for June's City Manager Leadership Award

City Manager Lori Ann Farrell Harrison honored CMTV Multimedia Specialist and Videographer Ron Dam with the City Manager Leadership Award for the month of June.

"Ron is an extraordinarily talented camera operator, editor and video producer," Farrell Harrison said. "He and the CMTV team have successfully partnered on video projects with every department and every elected official in the city, making everyone and every department in the city consistently look good. Thanks for spotlighting our City and our employees. I'm thrilled to give him this award."

Dam is noted for being able to take not so exciting public service content and transform it into viewer-friendly informative and entertaining videos. His video handiwork has become a featured highlight at the City's annual Employee Service Awards, turning employees into "actors."

His many duties include broadcasting meetings, writing scripts, shooting and editing videos, creating animations and his artistic work can be found on many of our "public facing" communication platforms, including Channel 3, Facebook, Instagram, YouTube and Granicus.

His combination of expert production and storytelling skills have helped make CMTV a nationally recognized operation, resulting in dozens of regional and national governmental video awards.

Dam started in Costa Mesa as a part time video production specialist in April of 2013. He has a bachelor's degree from Cal State Long Beach, with a major in journalism and minor in Chinese.

When he's not creating videos, he spends time as a longtime member of a "Taiko," or "Japanese percussion instrument" drumming group, performing shows at community events throughout Southern California.

Street sweeping cancelled during Memorial Day week

Due to the observation of the Memorial Day holiday on Monday, May 27, there will be no residential street sweeping the entire week as Costa Mesa Sanitary District also observes this holiday pushing trash collection back one day.

This results in residential gutter lines being cluttered with trash cans making it difficult for street sweeper operators to do an efficient job. Street sweeping will resume back to normal schedule starting the week of June 3. No parking citations will be issued during this time.

The following are a list of tasks that Clean Street's operators will be conducting next week.

- City wide alley street sweeping
- Sweeping of park parking lots and other city-owned facilities
- Accident call outs and special requests
- Night route sweeping on all arterial streets

For more information, residents can call the city's street

sweeping hotline at (714) 327-7471, which has been updated with this information.

"Rene is always willing to step in and help out staff and the community, and has been an exceptional employee and leader for his division," Farrell Harrison said. "While Rene can bring humor and joy to his job, he is also a great problem solver. Costa Mesa to Consider Hosting Raiders for 2024 Summer Training Camp

The City of Costa Mesa is currently engaged in discussions with the Las Vegas Raiders, who have expressed interest in using the Jack Hammett Sports Complex for their 2024 Summer Training Camp.

The City Council will discuss a potential one-year agreement at the Tuesday, May 7 meeting.

“Costa Mesa is proud to be one of only two cities in the country to host an NFL team’s summer training camp in a publicly owned facility,” City Manager Lori Ann Farrell Harrison said. “Jack Hammett is a treasure and we are excited to potentially have a new NFL team training here.”

Mayor John Stephens agreed.

“I’m pleased to welcome the Las Vegas Raiders and their loyal fans, ‘Raider Nation’ to the great city of Costa Mesa for

training camp this summer,” Mayor Stephens said. “The Raiders and Costa Mesa share a commitment to excellence, and our partnership will greatly benefit the community. Many thanks to Newport-Mesa School District, especially Costa Mesa High School, for collaborating with us in this endeavor. To quote Al Davis, ‘Just win, baby!’”

As part of the proposed agreement, the Raiders would pay \$165,000 in rent to the City along with other significant community contributions that include:

- \$600,000 in improvements to the fields at the complex
- Team Junior Training Camp for kids ages 6 to 12
- 100 tickets for local students to attend an NFL game in Southern California
- Donation of outdoor weight training equipment to Costa Mesa High School
- A New Mobile Recreation Van for programs in underserved areas, and
- A \$10,000 donation to a local youth sports team

The Jack Hammett Sports Complex’s fields typically undergo renovation during the summer months, ensuring no disruption to regular youth sports teams utilizing the facilities.

Starting in mid-July, the team will use the fields at the Complex for its training camp and will bring fields No. 3 and 4 up to current NFL standards. Additionally, the team has committed to hosting public practices, providing fans with an opportunity to witness their favorite players up close.

The City and the Raiders plan to work closely together to ensure there are minimal disruptions to the community and neighborhoods around Jack Hammett Sports Complex.

Given that the training camp will coincide with the annual OC Fair, the City and the team will collaborate on a comprehensive plan for managing parking and traffic in the area.
