

Costa Mesa names new Director of Economic and Development Services

Veteran city planner Barry C. Curtis will become the new Economic and Development Services Director for the City of Costa Mesa beginning in July.

“We are extremely happy to welcome Barry Curtis to our Costa Mesa team,” City Manager Tom Hatch said. “His broad-ranging experience in planning and development services will be a great asset to our City Council, city staff and the business and residential community. We look forward to working with him in the months and years to come.”

Curtis has been a professional planner for 29 years and most recently served as the Manager of Planning Services for the City of Irvine’s Community Development Department. During his tenure with Irvine he has managed and completed many of that city’s large projects and was the Redevelopment/Community Development Project Leader for the Great Park and he also held the titles of Principal and Senior Planner.

“As a lifelong resident of Orange County, I’m excited by the challenge and opportunity to bring nearly 30 years of local planning experience to my new role with the City of Costa Mesa,” Curtis said. “I look forward to working with the City’s highly-regarded, professional staff, decision-makers and residents to implement the goals of a vibrant, world-class city.”

Prior to working in Irvine, Curtis served as an Associate Planner for the City of Seal Beach where he provided support to boards and commissions, performed daily oversight of the city’s plan review process, assisted building officials and administered the city’s CDBG and Code Enforcement programs.

Curtis is well-acquainted with the regional and local issues facing Costa Mesa and has extensive experience in local governance, staff management and development, public participation, conflict management and redevelopment.

Curtis will officially begin his tenure with the City of Costa Mesa on July 5, 2017. He will report to City Manager Hatch.

Chargers present Mayor with \$50,000 check for Mobile Recreation Program

Mayor Katrina Foley officially accepted a \$50,000 check last week from the Los Angeles Chargers that will go toward

reviving the city's Mobile Recreation Program and help pay for a new vehicle.

"We're thrilled to receive this generous donation to the city," Mayor Foley said. "The Chargers investment in this program is further proof of owner Dean Spanos' vow to be partners with us and have his organization immerse itself in the Costa Mesa community. We look forward to many more great things to come."

The Chargers announced in January that the team would be moving to Los Angeles and then subsequently announced that the team would move its headquarters to the Hive office complex in Costa Mesa.

In March, the team agreed to enter into a 10-year use agreement with the city to practice at the Jack Hammett Sports Complex during the NFL team's Summer Training Camp. As part of this training camp agreement, the team will provide Costa Mesa with \$150,000 a year to use the site for a potential \$1.5 million over 10 years and also offered to give the \$50,000 to be used for the Mobile Recreation Program.

Maintenance Supervisor Jeff Pierce's hard work and dedication earns him Leadership Award

City Manager Tom Hatch named Maintenance Supervisor Jeff Pierce the winner of the May City Manager Leadership Award at the monthly Meet and Greet this Thursday May 25.

"Under Jeff's supervision, service levels increased in every area of Public Services," City Manager Hatch said. "That equates to more potholes filled, more catch basins cleaned, more sidewalks ground, more signs installed and more debris removed from the public right of way, making Costa Mesa a safer and more aesthetically pleasing environment for residents and businesses. I want to thank Jeff for his dedication to our residents and the community."

Pierce joined the City of Costa Mesa as a part time general aide in 2006 and became a full-time maintenance worker in

January 2007. His hard work and dedication resulted in a promotion to Senior Maintenance Worker in May 2009. As a Senior Maintenance Worker Jeff proved to be a team leader and was an integral part of many projects including the creation and installation of the blue and white street names signs and the downtown area custom signs. His affinity for sign design, attention to detail and creativity made him a perfect fit to be promoted to the position of Sign Technician in July 2010. His work as the City Sign Technician can literally be seen on every street corner.

He was promoted to Maintenance Supervisor in May of 2015.

In addition to honoring Pierce, City Manager Hatch welcomed several new employees to the city, including Anthony Nocerino as a new Video Production Aide for the City Manager's Office, Brontee Stevens, permit processing specialist for Development Services and Christian Valle, recreation leader II in Parks & Community Services.

Also honored were Jenette Martinez, a communications officer with the Police Department and Luis Martinez Mendez, an intern with Public Services.

Five of the 12 new Fire Department recruits were also honored. The recruits are Lucas Anderson, Shant Bartemian, Craig Bates, Kyle Brosamer, Matthew Chavez, Jordan Kiesz, Thomas Foskarino, Maurilio Torres, Angel Ordaz, Kyle Myszka, Bryan McMahon and Nicholas Nihiser.

Hatch also recognized two recent promotions in the Parks & Community Services Department. Laura Gomez has been promoted to Office Specialist and Edgar Rosales to Recreation Specialist.

Police cite Bicycle Safety Month as a reason to urge caution for bicycle riders and motorists alike

The Costa Mesa Police Department and the California Office of Traffic Safety request bicycle riders and motorists alike to be cautious during May's National Bicycle Safety Month, and every other month during the year.

For riders and drivers, "Roll Model" means actively decreasing the risks of traffic crashes, preventable injuries and deaths. The National Highway Traffic Safety Administration reports that 818 bicyclists died and over 45,000 were injured in crashes in 2015, with deaths rising over 12% from 2014's numbers.

Over the 10-year period from 2006 to 2015, the average age of cyclists killed in motor vehicle crashes increased from 41 to 45. Alcohol involvement – either for the motor vehicle operator or for the cyclist – was reported in 37% of all fatal cyclist crashes in 2015.

Costa Mesa police officers conducted a specialized Bicycle Safety Enforcement Operation on Tuesday May 23, 2017, in an effort to lower deaths and injuries. Extra officers patrolled areas frequented by bicyclists and where bicycle crashes occur.

California has the Move Over Law to share the road requiring motorists to pass bike riders with at least a 3-foot cushion. Support community efforts in your community, be involved in

bicycle safety, whether while riding a bike, or driving a vehicle. Officers will focus on violations observed by both motorist and cyclist.

CMPD reminds everyone – Be A Roll Model:

- Ride and Drive Focused – Never ride or drive distracted.
- Ride and Drive Prepared – Always expect the unexpected.
- Safety First – Always wear a bicycle helmet when on a bicycle and a seat belt when in a vehicle.
- Know the Rules of the Road – A bicyclist is considered a vehicle on the road with all the rights and responsibilities of motorized traffic.
- Share the Road – Both motorist and bicyclist should look out for each other and show mutual respect.
