"She believes that she is a reflection of the City Council, City CEO and the organization as whole and may be the first and only time someone has contact with the City and wants the impression to be as pleasant and helpful as possible."

She joined the City of Costa Mesa in August of 2004.

She also provides support for most special events to make sure a member of the City Council attends to present proclamations and at times, presents on the City's behalf.

## **City files public nuisance complaint and asks court to take action against New Harbor Inn**

The City of Costa Mesa filed a public nuisance complaint against the New Harbor Inn, a rare civil abatement move that, if successful, will bring the blighted and crime-infested motel on Harbor Boulevard under court control.

“As we saw with a recent stabbing at a local motel, these establishments continue to be a detriment to our community and are havens for prostitutes, drug users and other criminal elements,” said Costa Mesa Mayor Steve Mensinger. “By taking this action against this public nuisance, the City Council is trying to eliminate the unlawful use of the property.”

Since 2010, the New Harbor Inn generated nearly 1,800 calls for service and it is a known locale for drug storage and sales and multiple narcotics arrests. The motel is the source for a disproportionate amount of police calls.

[Click here to see a copy of the complaint.](#)

In addition to the criminal activity, inspections at the New Harbor Inn have turned up multiple code violations over the years including substandard property maintenance and health, life and safety violations.

In March of 2014, 79 violations were found in 33 rooms and in August of 2012, the property received fire code violations after it was discovered that 30 rooms had no smoke detectors, there were improper exits, non-operational fire extinguishers and fire hazards caused by extension cords.

According to the complaint filed in Orange County Superior Court Central Division, the city is asking for myriad remedies enforceable by the court including but not limited to:

- Shutting down the hotel temporarily or permanently.
- Appointing a receiver or court officer to take over operations and assume management and control of the property.
- Requiring the property owner to comply with existing law and completely revamp its business procedures, hire armed security guards and improve lighting and other areas of concern.

Recently, the city and Costa Mesa law enforcement have had to increase enforcement efforts on motel operators whose properties have multiple calls for service and are the venue for criminal activity such as drug use and sales and prostitution.

In a unanimous vote, the city council voted in closed session to take this legal action against the New Harbor Inn. If the court grants the city's request to shut down, or place a court-appointed receiver over the New Harbor Inn, that would be a major victory for residents and business owners who regularly have to deal with the criminal activity.

"Costa Mesa works hard to encourage and support our local businesses and residents," Mayor Mensinger said. "But this

drastic intervention is necessary given the pattern and practice of bad business operations.”

## **Local students go behind the scenes at Youth in Government Day at Costa Mesa City Hall**

About 80 students from Costa Mesa, Estancia, Newport Harbor and Early College high schools took over City Hall on Wednesday morning April 20 to take part in the inaugural Youth in Government Day.

The students got a behind the scenes look into how city government works, spending time with public services, police, fire, city administration, parks and community services and finance teams to learn the intricacies of the job.

The students were welcomed to City Hall by Mayor Steve Mensinger, Councilwoman Katrina Foley and City CEO Tom Hatch.

Mayor Mensinger talked to them about the importance of being a leader and how the city needs more people to step up into leadership roles.

“You being here today makes you a part of that group,” he said. “We are looking forward to having you as future leaders.”

Councilwoman Foley told the group how important it is to vote and how much local government can change things.

“Costa Mesa City Hall is the place where you can effect the most change that you can see in your daily lives,” she said.

Next, CEO Hatch talked about the importance of local schools, which he called the “lifeblood of the community.” He also told the students how he was attracted to a career in government because it is a place where you can quickly solve problems.

After the morning welcome session, the students split up and spent time in their assigned groups where they learned about finance, policing, fire service, city administration and parks and recreation.

After an afternoon lunch, which included a presentation by County Registrar of Voters Neal Kelley, the students filed into the council chambers to hold a mock City Council meeting.

The council members included Mayor Maraide Green, of Estancia High School, Mayor Pro Tem Andrew Ghobrial, of Costa Mesa High School, Council Members Jennifer Contreras, of Costa Mesa High School and Council Members Roman Giglio and David Coreas from Early College High School.

Also on the dais were City CEO Catherine Pimentel from Costa Mesa High and City Attorney Julia Paluch from Estancia. Estancia’s Abby Dunham played the part of City Clerk and Tia Gordon of Costa Mesa was a staff presenter. Andrew Garcia of Costa Mesa and Ulises Rodriguez from Early College were public commenters.

The mock council heard a presentation by Architect Steve Johnson of the firm Johnson Favaro regarding the plans for a

new teen area in the city's soon to be re-built Donald Dungan library. After hearing the presentation and asking great questions, the council approved the plan 5-0.

## **Mayor Mensinger and church leaders will again help local residents spruce up their homes**

On April 30, please join Costa Mesa Mayor Stephen Mensinger along with The Church of Jesus Christ of Latter-day Saints, Christ Lutheran and Palm Harvest Churches for the second annual Neighbors Helping Neighbors event to assist homes throughout the Costa Mesa community in need of some TLC.

"I'm looking forward to joining my fellow Costa Mesans as we help out our neighbors in times of need," Mayor Mensinger said. "It's always impressive how many volunteers answer the call when we ask for help. And this year is no different."

success.

## **City earns 'Mega' water saver title from Mesa Water District**

At the Mesa Water District's Board of Directors regular meeting on Thursday April 14, the City of Costa Mesa was recognized for its water conservation efforts and presented with the "Mega" Mesa Water Saver award.

Through the city's efforts, along with other local agencies, businesses, schools and residents, the water district has

reached and exceeded the state's 20 percent conservation mandate with over 21 percent reduction in water use from June 2015 through February 2016.

"The 10 Mesa Water customers we're recognizing today include property owners and managers with varying responsibilities, who are clearly dedicated to doing the right thing and engaging in activities that achieve higher-than-average water savings during this extended drought," said Mesa Water Board President Shawn Dewane. "We're proud to be part of a community so dedicated to water efficiency."

The water district focused on outdoor watering, reducing water waste at residential, multi-family, business and government properties.

Customers who increased water efficiency beyond expectations were responsible for higher-than-average water savings ranging from 31 percent to 56 percent.

Businesses and Homeowners' Associations amended their outdoor watering for larger landscapes to comply with Mesa Water's watering schedules that changed with seasonal temperatures and weather.

Single-family homeowners and local government agencies implemented additional water-saving techniques, including installing a pool cover, replacing thirsty turf with water-wise landscaping, updating old irrigation with drip irrigation, reducing sprinkler times, installing smart-timers, and decreasing off-peak utility use.

The following were recognized at Thursday's event by Mesa Water's Board of Directors as "Mega" Mesa Water Savers:

- Janice and Steven Frates

- Susan and Geoff West
  - Brookview Homeowners' Association
  - Harbor Village Apartments
  - C.J. Segerstrom & Sons

## City to test drive new hydrogen-powered Toyota

Toyota Motor Sales USA will be lending the City a 2016 Toyota Mirai for a couple of weeks to test drive.

The car has an electric motor powered by hydrogen fuel cells, resulting in a 100-percent-pollution-free vehicle.

The fuel cells produce electricity from the high pressure hydrogen with only water as a byproduct. The 300 horsepower motor moves the car exceptionally quick, without any motor noise or exhaust.

Hydrogen is available locally at the Valero gas station on Harbor Boulevard to retail customers.

Several City departments will be given an opportunity to drive the vehicle for routine City business over the two weeks of the test.

The car will travel over 300 miles per fueling and may be leased by the public in the \$400-500 a month range or purchased with State incentives for the mid \$40,000's.

## **Tesla Motors presented with Mayor's Award**

Costa Mesa Mayor Steve Mensinger announced that Tesla Motors, an innovative automotive and energy storage company known for its high-end luxury electric cars, is the winner of the Mayor's Award presented at the Tuesday April 5 City Council meeting.

Accepting the award on behalf of the company was Tesla Store Manager Peter Najera and Service Manager Joe Estrada.

"We are deeply honored and this is a wonderful and amazing thing that you have done for us," Najera said. "We are thrilled to be here in Costa Mesa. It's a perfect location."

Costa Mesa is not only one of five Tesla sales locations in

the county, but is also home to one of only two Tesla service centers in the county.

Tesla forgoes the typical dealership model that dominates the business, and instead sells cars directly to their customers through company owned stores or galleries, which are usually located in shopping malls.

For years, Tesla operated locally out of a 10,000-square-foot facility on Pullman Street in Costa Mesa, adjacent to the 55 freeway. Nearly a year and a half ago they expanded their operation to also include a 27,000 square foot facility just down the street.

The new facility serves as a state of the art service center, complete with 26 service bays, two alignment bays, a detail center and car wash area in two buildings.

A typical day finds six service advisors and 20 service technicians servicing 30-35 vehicles per day, making the Costa Mesa location the number one Tesla Service center in terms of volume in the entire nation.

## **City reaches landmark agreement with Solid Landings to cease sober living home operations**

The City of Costa Mesa reached a landmark settlement agreement with Solid Landings Inc. that will result in the immediate closure of 15 of the company's residential sober living homes

and the closure of 18 more over the next two to three years at the latest.

“This is a major victory both for the residents of Costa Mesa and city officials who worked diligently on this issue for several years,” said Mayor Steve Mensinger. “We have invested considerable resources in legal, law enforcement and code enforcement efforts to ensure a balance between our residents who deserve neighborhood peace and tranquility and those who seek facilities to battle their addiction problems.”

The agreement with Solid Landings, the largest group home operator in the city of Costa Mesa, will effectively end years of both federal and state litigation between the company and the city and will keep intact the city’s two groundbreaking ordinances that place appropriate restrictions on group homes, limiting the number of occupants and the proximity between similar homes.

By entering into the agreement, Solid Landings will ultimately close 33 residential facilities and no legal fees will be paid by the city. Further, Solid Landings will relocate its counseling facilities to two locations in the city, one in a commercial area and the other in an industrial location.

The settlement discussions began approximately a month ago when the City Council directed Mayor Pro-Tem Jim Righeimer to negotiate on behalf of the city.

The negotiations between Righeimer and Solid Landings resulted in an agreement reached Tuesday April 5 when the council voted 3-0 to accept the terms of the settlement.
