

City launches new web page to help residents report aircraft noise and concerns

In response to increased concerns about noise and flight patterns of aircraft flying in and out of John Wayne and other local airports, the city has created a new page titled, Airport Noise and Concerns, that provides residents with important resources for monitoring air traffic.

By clicking on the page here , residents can call JWA directly and the page provides access numbers and websites for the Federal Aviation Administration and Long Beach Airport.

City staff continues to work with county and regional officials to stay up to date on any changes regarding air traffic and noise.
