

City orders the full closure of all City parks and the public golf course

In an effort to minimize the spread of COVID-19, the City of Costa Mesa has taken another bold step and closed all City parks and the Costa Mesa Country Club, the city-owned public golf course, effective midnight March 24 until further notice.

The City is taking this action to ensure appropriate social distancing and reduce places of gathering. The park closures will include parking lots, park restrooms, playgrounds, athletic facilities and walking trails.

The parks closures follow a number of facilities and city parks programs that have already been closed out of the abundance of caution as the public is urged to stay home to slow the spread of COVID-19 and help flatten the curve.

“If you think you’re doing too much, you’re probably doing the right thing,” Dr. Anthony Fauci, the Director of the National Institute of Allergy and Infectious Diseases.
