

OCTA official gives update on 405 expansion project

Nicollete La Piana, a Community Relations Specialist from OCTA, discussed the details of the upcoming Interstate 405 Improvement Project at the Costa Mesa Chamber of Commerce's monthly Breakfast Boost on Thursday March 16.

Of particular interest to Costa Mesa residents is the reconstruction of the Fairview Road overcrossing at the 405 Freeway, which will take place mid to late 2018. That work will result in the closure of some lanes in both directions as well as closures to freeway onramps. Costa Mesa Public Services will be working closely with OCTA to address those issues.

OCTA in cooperation with the California Department of Transportation (Caltrans) is widening the San Diego Freeway (I-405) between State Route 73 (SR-73) and Interstate 605 (I-605). The project will improve 16 miles of I-405 between the SR-73 freeway in Costa Mesa and I-605 near the L.A. County line.

The project includes adding one regular lane in each direction from Euclid Street to I-605 and making improvements to freeway entrances, exits, and bridges. It also will construct 405 Express Lanes, two lanes in each direction from SR-73 to I-605.

The new express lanes – incorporating the existing carpool lanes and connectors that opened in 2014 – will give solo drives the choice to speed up their commute for a toll, and carpoolers may ride in the lanes for free. Transportation improvements to freeways keep commuters and goods moving within Orange County and to destinations beyond.

With Orange County's population projected to increase dramatically by 2040, change is needed today to ensure tomorrow's mobility. Currently, the **405 Improvement Project** is one of OCTA's premiere projects.

As a part of the project, OCTA is conducting a robust community outreach program which includes sending email alerts, offering civic and community presentations and posting information on our website and social media platforms.

The OCTA team has also developed an extensive business outreach program.

As the project moves into the construction phase in late 2017, OCTA wants to partner with businesses and employers within the project corridor.

The agency is continuously looking for opportunities to expand its efforts to those who are interested in receiving project updates.

OCTA offers one-on-one or brown-bag briefings/presentations, and can tailor materials for internal newsletters or other useful communication mediums.

The OCTA team does whatever it can to minimize the impacts to residents, businesses, as well as motorists. Please contact OCTA if you have any questions or special requests by emailing 405project@octa.net or calling 888.400.8994.
