Gordon Bowley presented with Mayor's Award

Longtime Costa Mesa resident Gordon Bowley was presented the Mayor's Award on Tuesday March 1 as a way to honor and thank him for his years of service to the community, especially in the areas of youth and high school sports.

Bowley has been actively involved in a number of different community groups and organizations, including the Costa Mesa Chamber of Commerce, the Hoag Hospital Foundation, St. Andrews Church and the YMCA to name a few.

But it has been his work with Costa Mesa United and the Costa Mesa Youth Sports Council where his impact has been felt the most, Mayor Steve Mensinger said as he presented Bowley with the award, which included a key to the city.

Bowley served as both the president of Costa Mesa United and as Chairman of the Youth Sports Council, and he has been an instrumental figure in the growth and success of the Mesa Verde Classic Golf Tournament, which is the largest fund

raising event for youth sports in Costa Mesa. This year's event raised more than \$90,000.

"For your years of service to this community, and your outstanding leadership, it is my honor and privilege to present you with the Mayor's Award," Mensinger said.

Second Harvest Food Bank at Adams Elementary

Every school day at Adams Elementary is filled with services to help students learn and grow.

This year thanks to the extraordinary coordination efforts of school community facilitators, Adams has added another service for its school community to expand its wrap around services.

The Second Harvest food bank is a monthly program where families come to the school and participate in a farmers' market style food pantry.

There is no cost for the program, and families leave with more fresh fruits and vegetables than they can carry.

Additionally, representatives from The California Champions for Change provide families with healthy recipes and training on reading nutrition facts on food labels.

Each month, the food bank becomes a gathering place for families to meet each other, connect with their children's school and develop healthy habits that will last them a lifetime.

The food bank is run by volunteers from within the Second

Harvest organization and parents from Adams Elementary School.

CMPD Park Ranger Returns from Deployment

January was a month of achievement and celebration for the Costa Mesa Police Department with several new hires and promotions.

In addition to four new officers joining the department, on Jan. 21 the CMPD welcomed home Park Ranger Lorna Lyttle who had been deployed to Bagram, Afghanistan as a member of the U.S. Army Reserves.

Lyttle joined the CMPD Feb. 19, 2006 and worked for the department as a park ranger for four years before her decision to enlist with the U.S. Army Reserve. Her service in the Army Reserves began on May 17, 2010 and she was deployed to Bagram Afghanistan in April of 2014.

“You don’t feel the full affect until you land and realize where you are,” she said.

Lyttle spent a year as a convoy escort protecting and assisting with the move of fuel and U.S. military equipment between bases.

Lyttle is glad to be back, "It was an experience that I will never forget and now that I am home, I am just trying to get back to the daily grind and back to living life as I knew it before I left with a whole lot more gratitude for being a US Citizen."

When she is not working Lyttle enjoys spending time with her family, relaxing and going for a good drive.

Lyttle's long term goal is to further her education and promote through the army ranks. She currently holds a sergeant title and hopes to attain rank of an officer.

In the meantime, she is happy to be home and back with the CMPD; her other family.

"They are my other family, you see them every day and spent a lot of time together," she said.

Private Costa Mesa School Teacher named as one of the top 25 in county

Mariners Christian School of Costa Mesa announced that its beloved fourth grade teacher, Kristin Knecht of Mission Viejo, was chosen as one of the Top 25 Teachers in Orange County for 2016 by OC Parenting Magazine.

The surprise announcement came in Knecht's classroom, who received balloons, flowers, and cheers from fellow teachers, administrators, and her students.

Knecht has over 20 years of teaching experience in fourth grade, four of them at MCS.

“Mrs. Knecht is dedicated to the idea of fostering creativity, imagination, and finding ways to apply content to the real world to motivate her students. She desires to know the unique dreams and aspirations of each student in the classroom in order to make learning come alive,” said Elementary Principal Reggie Biancalani.

One of Knecht’s educational commitments is to model for her students what it means to be a “lifelong learner” by pursuing professional development opportunities as often as she can.

From attending the California Math Council Conference so that she can teach her students to think like mathematicians, to the latest training on Literacy from Columbia University Teacher College Reading and Writing Program, Knecht is ready to implement top teaching strategies to benefit her class.

She understands the importance of assessing growth as vital data to ensure students are increasing their level of achievement.

Recently she helped implement a new national standardized assessment program called MAP (Measure of Academic Progress) geared towards identifying students' strengths and weakness in the math, reading, and language.

This year, Knecht served on the school's accreditation steering committee, the admissions committee, and she is instrumental in co-leading a group of 130 parents and 4th grade students to Sacramento and San Francisco each spring to make social studies come alive.

In addition to being a wife of 17 years and mother to her daughter Riley (an MCS student), teaching is truly Knecht's passion, and it is not uncommon to find students from years past visiting her classroom for a hug and pep talk.

Developers break ground on new luxury living project at 580 Anton

To celebrate its soon-to-be-constructed 250-unit luxury apartment building, executives from Legacy Partners joined together with city and business leaders on Thursday Feb. 18 for a mid-morning Groundbreaking Ceremony at the 580 Anton Blvd. South Coast Metro location.

Standing in front of the active construction site complete with bulldozers, Timothy O'Brien, the managing director of

Legacy Partners hailed the virtues of this new project and all it stands to offer the residents who will live within walking distance of world-class dining, shopping and entertainment.

“We set out to design something that is timeless, classic and beautiful,” O’Brien said. “This is a fantastic place to develop a project.”

O’Brien, a lifelong Costa Mesa resident who attended Estancia High School, also complimented the city employees who assisted him in getting this project approved, and he even went as far as calling Costa Mesa’s staff the best in the state.

Costa Mesa Mayor Steve Mensinger and Councilwoman Sandy Genis also attended the event and heaped praise on the project and what it will mean to Costa Mesa.

“This project stands to create tens of thousands of jobs,” Mensinger said.

When complete, the building will yield more than 200,000 square feet of rentable space, which will have luxury

amenities and appliances as well as a fully fitted clubhouse, a concierge entry, a dog-wash station, a fitness center with a lake view, a wine bar and much more.

Legacy Partners, a privately held real estate firm based in San Francisco, acquired the former retail center in May of 2015 in a joint venture with Prudential Real Estate Investors. The development is set to complete by fall of 2017.
