

Parks and Community Services presented with prestigious award

Costa Mesa Parks and Community Services staff attended that California Park & Recreation Society (CPRS) annual conference in Long Beach to pick up a big statewide award during the closing gala.

The Costa Mesa staff was one of only seven agencies presented with an “Award of Excellence” for creating community through innovative programming.

The city won the award for its Ranch Afterschool Program, which is a collaboration with the OC Fair & Event Center and the Newport-Mesa Unified School District.

During this unique after school experience, students focus on

agricultural concepts like gardening, livestock, and leather working.

The students have a hands-on experience caring for animals on the Farm which includes: chickens, sheep, pigs, goats, llamas, cattle, and horses.

They learn responsible animal care by cleaning stalls, grooming, and exercising the animals.

Additionally, the Farm dedicates land for each student to create and maintain an individual garden. Students' gardening responsibilities include planting, watering, fertilizing, weeding, inspecting for pests and harvesting their plot.

Agricultural education helps children learn about healthy food choices and teaches them different ways to access fresh fruits and vegetables. Most importantly, students begin to understand the deep impact agriculture has in their lives past, future and present.

“This free program is a true collaboration and would not be possible without the support of the Orange County

Fairgrounds,” said Ashley Ocasio, the city’s assistant recreation supervisor. “This strategic partnership provides many Costa Mesa youth the opportunity to experience an unique after-school program, in which the focus in on agriculture and farming”

The California Park & Recreation Society awards program recognizes outstanding achievement in the areas of facility design, park planning, marketing and communication, and community improvement and programming through demonstrating the principals of resourcefulness, execution, accomplishment and alignment with the parks and recreation mission.
